

MY INSPIRED CAREER AND LIFE PLANNER

THE WORLD'S WICKED PROBLEMS

Who am I already?

What are my strengths, talents and skills?
Where are they best served and most wanted?

Who do I want to spend
my work time with?

Who do I want to be
or become?

What do I want to be known for?

What life do I want
to live?

What fascinates me?

Where do I want to
spend my work time?

What direction am I headed in? What's my goal?
